MY PROPHECY PROPAGANDA SERIES
EVER WONDER WHY THE DEADLINE FOR THE GREEN NEW DEAL IS 2030

Why the rush to install the Global Warming Green New Deal Scam by 2030? Could it have something to do with the incoming asteroid Apophis that was scheduled to hit the earth on Friday April 13, 2029 until NASA said "Don't worry it's going to come close but it's not going to hit."

WHAT IS APOPHIS?

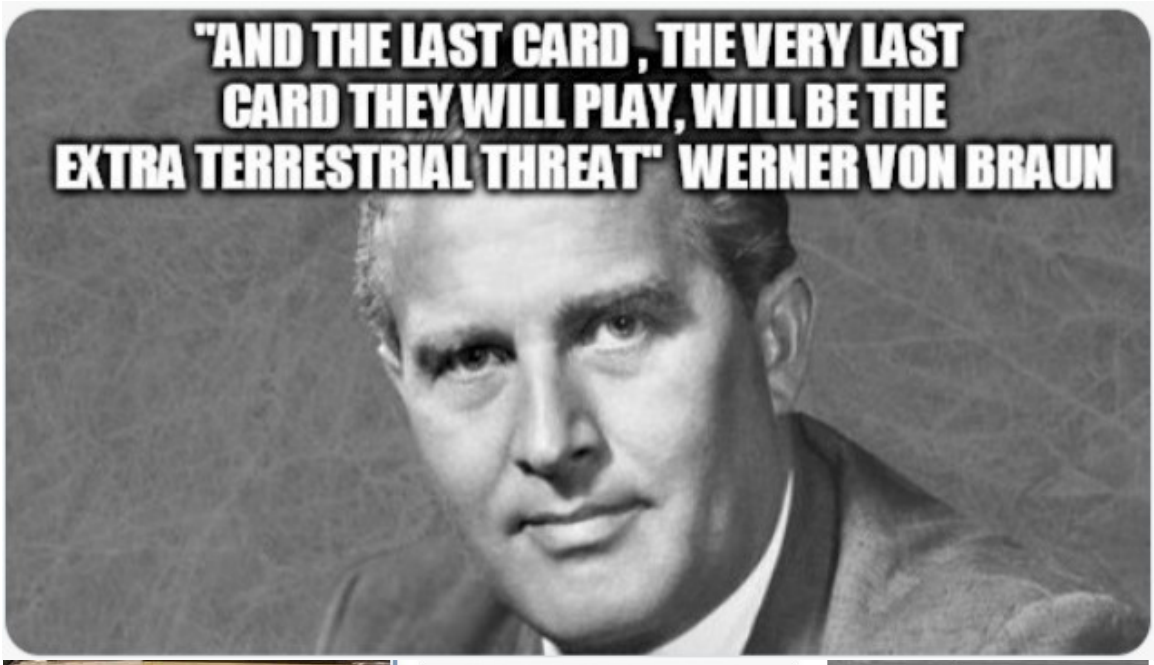
- **Asteroid Apophis (99942):** Named after the Egyptian god of chaos, this roughly 1,100-foot asteroid was discovered in 2004. Early tracking caused a brief media scare, but NASA's radar observations have definitively confirmed it poses **zero impact risk** to Earth for at least the next 100 years. It will safely fly past Earth on April 13, 2029, closer than many communication satellites, but will not hit

us. **https://science.nasa.gov/solar-system/asteroids/apophis/**

- **Biblical "Wormwood":** In the New Testament (Revelation 8), Wormwood is a "great star" that falls from the sky during the "trumpet judgments". It is said to poison a third of the world's fresh water, causing many to die. While some apocalyptic prophecy teachers link this to Apophis or a future asteroid strike, biblical scholars consider the text to be highly figurative, intended to represent historical, spiritual, or symbolic judgments not a rock dropping down from the sky. HOWEVER!!
-

  If you notice, since Trump took office America and the world are waking up to the illegal, evil, corrupt operations of the ASHKENAZI ZIONIST SHEPHARDIC JEWS AND MEROVINGIANS NWO DEEP STATE MOVEMENT. Even European populations are saying "enough is enough." The evil and corrupted Democratic Communist Party in America is having a nasty time implementing the necessary changes in America to successfully install the NWO and many Democrats are now moving over to the Republican Party. The Ashkenazi Zionist Democratic leader Schumer is so panicked he shut down the government claiming it was because Trump will not give illegal aliens Medical benefits.

  My point is that Trump and the people have thrown a huge monkey wrench into the installation of the Green New Deal timeline and the successful installation of Communism in America today.



Are The Ruling Elite About To Play The Last Card?

In 1974, Dr. Carol Rosin was warned by Dr. Wernher von Braun about a series of events that will happen in the near future, all of which will be based on lies. The 'Last Card' th... **More**

Rocket scientist Werner Von Braun warned us that the LAST CARD THE ASHKENAZI ZIONIST SHEPHARDIC JEWS AND MEROVINGIANS NWO DEEP STATE MOVEMENT would use to install the NWO is a FAKE ALIEN INVASION.

However we are being told that NASA knows it will hit but is not telling us. The timing of the Asteroid Apophis will also happen around the same time as the Green New Deal needs

to be finalized. Yes, it looks like the asteroid will be diverted to TAKE OUT THE BAD GUYS not the "Meek"

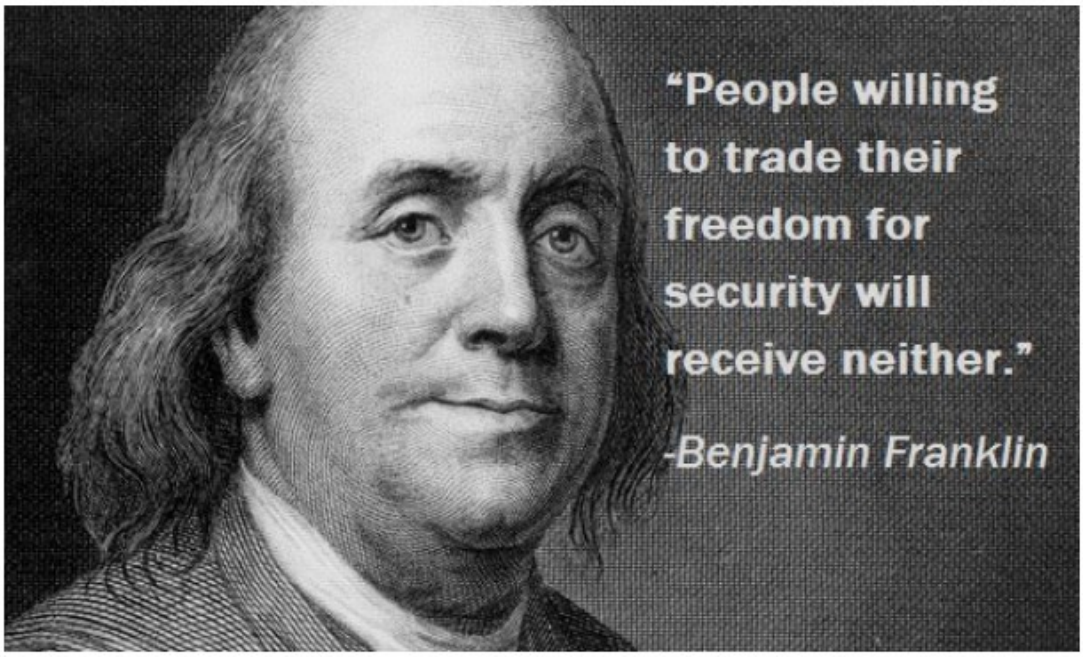
The Bible refers to this time period on earth as the 7 Year Tribulation Period that moves into the Great Tribulation during the last 3 1/2 years. The timing or prophecy tells me that Apophis strike the earth at the mid point of the Tribulation, which starts the Great Tribulation Period.

Everyone studying End Time and ancient prophecies knows this as do the ASHKENAZI ZIONIST SHEPHARDIC JEWS AND MEROVINGIANS NWO DEEP STATE MOVEMENT.

Extraterrestrial Threat

"The last card" according to von Braun's testimonial to Dr. Rosin is the extraterrestrial threat. Whistleblowers and insiders have stated numerous times that many of the UFO sightings are potentially "our own" crafts as this technology has been around for many years through reverse engineering.

What is the purpose of these lies?



Ultimately, to create a one world government, currency and religion.

LETS TALK ABOUT WHAT WOULD HAPPEN WHEN APOPHIS ORBITS BETWEEN THE SATELLITES IN 2029.

In the Bible narrative **Apophis** is a weaponized cosmic tool controlled by higher entities to end the current age, it is not viewed as a random rock making a random impact. Instead, alternative prophecy and eschatology theories suggest the entities directing it would deliberately target the **GLOBAL ELITE infrastructures of the "Deep State" or the Global Elite.** Prophetically it would be considered as a **"purification of the earth by fire."**

HERE IS WHAT WOULD HAPPEN TO THE GLOBAL FINANCIAL CAPITAL HUBS WHICH IS THE LIFE BLOOD OF THE NWO ELITE CONTROL STRUCTURE

The Targets would include the Central banking headquarters, elite financial districts (such as Wall Street, the City of London, and global economic forums), and major fiat currency printing centers. An asteroid orbiting between the satellites and earth would Force a reset of the age. It would cause a total collapse of the current economic system. An atmospheric burst or strikes would vaporize these electronic and physical financial grids instantly, wiping out debts and the elites' leverage over the global population.

WHAT WOULD HAPPEN TO HIGH TECH DIGITAL COMMAND AND SURVEILLANCE CENTERS?

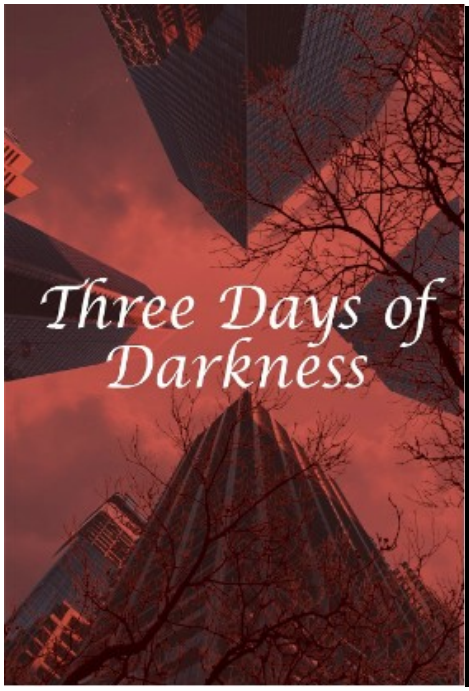
For the ASHKENAZI ZIONIST SHEPHARDIC JEWS AND MEROVINGIANS NWO DEEP STATE MOVEMENT CONTROL it relies on data centers, satellites, and artificial intelligence surveillance. Because Apophis will fly underneath our highest satellites during its close approach, theories

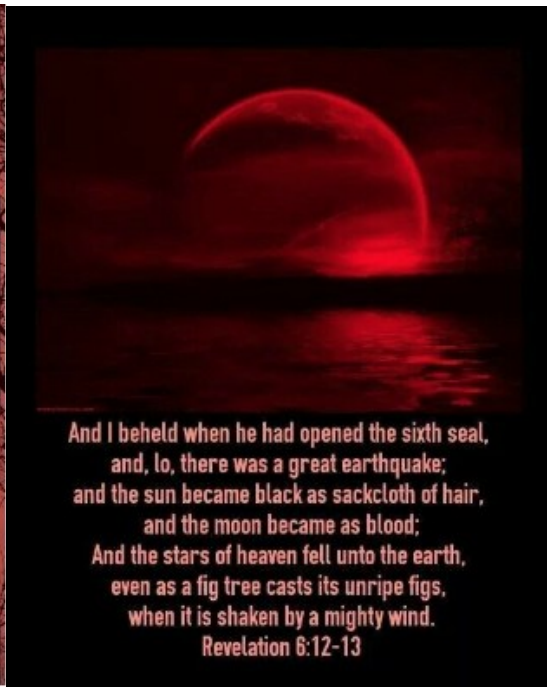
suggest its entry will completely shatter the communications network—blinding the tracking systems and dismantling the electronic surveillance apparatus used by the shadow government.

It would take out Silicon Valley tech hubs, major underground military command centers (like Cheyenne Mountain or secret Deep Underground Military Bases, known as DUMBs), and the global satellite ring.

It would eliminate the headquarters of international governing bodies, private elite gathering grounds, and historical monuments or power grids linked to globalist agendas. Alternative theorists believe the elite have constructed advanced underground bunkers to survive exactly this kind of cyclic reset. They have constructed genetic and bio-research laboratories, along with known luxury subterranean bunker networks. No man-made structure can withstand cosmic kinetic energy equivalent to billions of tons of TNT. The impact of Apophis would render these underground fortresses useless, ensuring that those who attempted to manipulate human evolution or hide from this "purification by fire" event would not escape.

In this final phase of the Great Tribulation Period, the destruction of the global control centers triggers a sequence of events long recorded in esoteric lore, which is the destruction of the NWO GLOBAL ELITE BABYLONIAN COMMUNIST SYSTEM. With the elite infrastructure shattered by the weaponized descent of Apophis, the planet plunges into a physical and spiritual transition freeing humanity from the NWO GLOBAL ELITES CONTROL GRID.



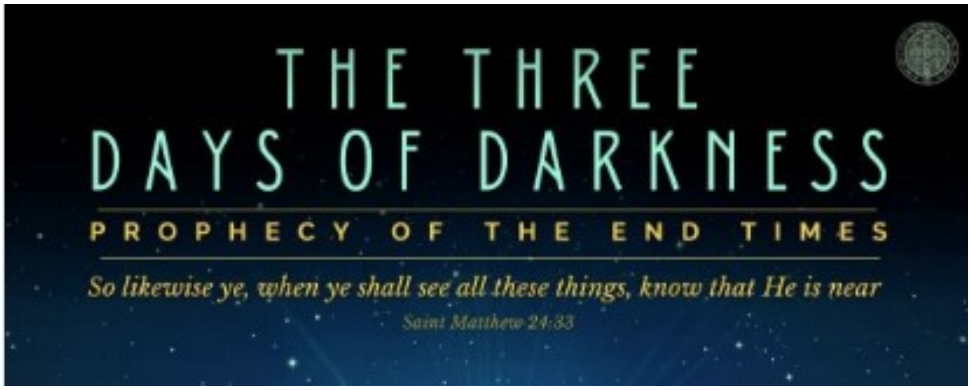


And I beheld when he had opened the sixth seal,
and, lo, there was a great earthquake;
and the sun became black as sackcloth of hair,
and the moon became as blood;
And the stars of heaven fell unto the earth,
even as a fig tree casts its unripe figs,
when it is shaken by a mighty wind.
Revelation 6:12-13

THREE DAYS OF DARKNESS WOULD OCCUR AS IN PROPHECY WARNINGS AFTER APOPHIS STRIKES THE EARTH

An Apophis Strike it would trigger worldwide volcanic eruptions and intense thermal energy. The sky is instantly blotted out by a dense, unbreathable blanket of ash, dust, and sulfurous gases. The sun and moon completely disappear from sight. In esoteric tradition, this is not just physical smoke; it is a time when the veil between dimensions drops entirely. With the elite's electronic grid dead, the planet enters a "null zone." Texts warn that during these three days, people must stay indoors, seal their windows, and avoid looking outside, as the entities or "gods" finalize the purging of the old age's negative energies.

In the Bible, God says He is the one who ultimately opens and shuts doors, declaring in Revelation 3:7 that "what He opens no one can shut, and what He shuts no one can open." Closed doors are usually viewed as divine protection, redirection to a better path, or a test of faith. City Harvest AG Church ... +1



THE THREE
DAYS OF DARKNESS
PROPHECY OF THE END TIMES
So likewise ye, when ye shall see all these things, know that He is near
Saint Matthew 24:33

Jesus seemed to warn us that as we see these things happening to go inside and close the door. Even Isaiah said: "Go, my people, enter your rooms and shut the doors behind you; hide yourselves for a little while until his wrath has passed by."

Commentators and Bible scholars on platforms like Crosswalk generally interpret this as God offering a safe place to hide during a time of global trouble or judgment. It reminds people to trust in God for protection when scary or difficult things happen in the world.

If you are thinking of the words of Jesus, you might be remembering his teachings about the "end times" in the **Gospel of Luke** (Chapter 21, verse 31):

"Even so, when you see these things happening, you know that the kingdom of God is near."

Jesus also told his followers to "look up and lift up your heads". This was meant to give them hope that rescue is coming soon.

The Biblical Foundation: Revelation 8

The connection relies on **Revelation 8:10-11**, which describes the sounding of the third trumpet judgment:

> *"The third angel sounded his trumpet, and a great star, blazing like a torch, fell from the sky on a third of the rivers and on the springs of water — the name of the star is Wormwood."*

The 3 Core Pillars of the Prophetic Connection

- **The Chaos Translation**: Prophecy researchers point out that the Greek word used for Wormwood (*Apsinthos*) implies severe bitterness and upheaval. They connect this linguistically to the asteroid's name, **Apophis**, the ancient Egyptian god of chaos and destruction. Facebook · Sid Roth's It's S...
- **The 2029 Timeline**: The Bible states that Wormwood falls from the sky. Prophecy teachers match this description with NASA's confirmed tracking data, which places Apophis on an incredibly close flyby to Earth on **Friday, April 13, 2029**. Medium +3
- **The Cover-Up Narrative**: Authors like Horn claim that high-level government officials, the deep state, and space agencies are fully aware that Apophis is on an unavoidable collision course with Earth. The theory suggests planetary defense systems are secretly being built up under the radar, while public statements are kept calm to prevent global panic and collapse. cbn.com +1

AFTER THE THREE DAYS OF DARKNESS

In esoteric tradition, this is not just physical smoke; it is a time when the veil between dimensions drops entirely. With the elite's electronic grid dead, the planet enters a "null zone." Texts warn that during these three days, people must stay indoors, seal their windows, and avoid looking outside, as the entities or "gods" finalize the purging of the old age's negative energies. Some say evil demonic beings will try different tactics to get in but do not open the doors. They may masquerade as friends or loved ones but do not be fooled.

After the 3 Days of Darkness when the air finally clears, the electromagnetic field of the Earth has been entirely re-calibrated to a new, higher frequency, physically transforming the environment for the next age. Aliens can not function in a fast moving electromagnetic field or high pitch frequencies.

WHAT DO THESE ELITE BUNKERS LOOK LIKE

THE DEEP STATE KNOWS AND HAS BEEN PLANNING FOR THIS EVENT FOR A LONG TIME

Alternative narratives state that the global elite are fully aware of the cyclic timeline and have spent decades developing hidden technologies, including "Space Force" initiatives and Secret Space Programs (SSP), specifically to intercept this threat.

Prophecy seems to tell us the same thing, which is that they will attempt to go to war against Jesus as he returns.

According to these theories, the public only sees basic rockets, while the Shadow Government possesses advanced scalar weapons, kinetic energy platforms, and directed-energy weapons (DEWs) hidden in orbit or on the dark side of the moon.

As Apophis approaches, the elite attempt to deploy these weapons to shatter or push the asteroid off course, viewing it as an incoming hostile threat to their empire. However, because the asteroid is under the guidance of advanced extraterrestrial forces or cosmic entities, human technology proves completely useless. Their weapons either misfire, fail to penetrate the asteroid's localized energetic shield, or are actively dismantled by the intervening entities.

The elite realize too late that they cannot fight a pre-scheduled cosmic correction.

WHERE ARE THE PROPHETIC SAFE ZONES FOR THE "MEEK?"

In alternative history and ancient prophecy, certain geographic areas are designated as "refuge" areas, or anchor points. These regions survive the tectonic shifts because they sit on stable continental cratons (the oldest, thickest parts of the Earth's crust) or are protected by the energetic geometry of the planet.

1. The High Andes (South America)

- **The Location:** Regions spanning Peru, Bolivia, and Ecuador, particularly around Lake Titicaca.
- **The Prophecy:** Ancient Incan and Andean prophecies state that when the "Eagle and the Condor" fly together at the end of the age, the spiritual energy of the planet shifts from the Himalayas to the Andes. Its extreme altitude protects it from massive coastal tsunamis, and its unique magnetic anomalies shield it from solar radiation.

2. The Altai and Himalayan Mountains (Central Asia)

- **The Location:** The border regions of Russia, Mongolia, China, and the hidden valleys of Tibet.
- **The Prophecy:** Long associated with the esoteric legends of Shambhala, these massive mountain ranges are considered the spiritual fortress of the Eastern hemisphere. The deep, isolated valleys provide natural shelter from atmospheric fire and violent winds, while the high altitude keeps survivors safe from rising waters.

3. The American Southwest (North America)

- **The Location:** The Four Corners region (Arizona, New Mexico, Utah, Colorado) and the Hopi/Navajo reservations.
- **The Prophecy:** Hopi tradition states that their ancestors survived the previous world resets by entering underground caverns in these high desert regions. The hard rock formations and deep canyon systems act as natural shock absorbers against tectonic earthquakes.

4. The Glastonbury and Celtic Ridges (Western Europe)

- **The Location:** High-altitude, rocky regions of southwestern England, Wales, and parts of Scotland.
- **The Prophecy:** These areas are rich in ancient ley lines and megalithic stone circles. Esoteric traditions suggest that these ancient stone structures were actually placed by past civilizations to anchor the Earth's magnetic field during a magnetic pole shift, creating a localized bubble of energetic stability.

JESUS PROMISED US THAT THE "MEEK WHO WILL INHERIT THE EARTH" WILL BE PROTECTED

With the cities destroyed, the underground elite bunkers collapsed, and the digital grid gone, the leadership of the elite’s high-tech underground fortresses become death traps due to tectonic shifting, the spiritual remnant survive in specific "safe zones." These are often remote, high-altitude regions, or natural caverns away from the target

zones, protected by natural geography and, according to lore, invisible energetic shields generated by the guiding entities.

Jesus told us to know who the enemies are and to prepare for this earth-cleansing event by moving to higher ground and prepping for it. Those who survive are individuals who were spiritually aligned with the incoming cycle, which is a higher frequency cycle that appears to be associated with Jesus and the 3rd Heaven.

The physical changes to the Earth, including the collapse of the artificial electromagnetic grid will allow the human DNA to untangle from centuries of manipulation, activating dormant spiritual and physical capabilities that aliens shut off in our DNA. The "meek" aka remnant emerges into a purified, pristine Earth. Free from central banks, digital surveillance, and elite manipulation, they establish a decentralized, tribal, and highly spiritual society, marking the official beginning of the new Golden Age.

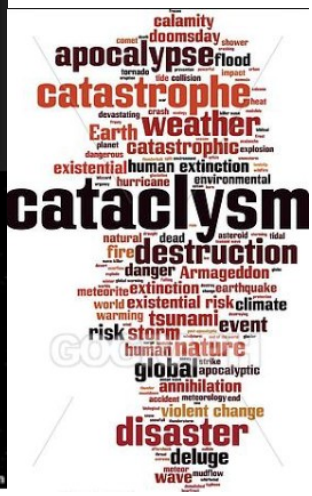
When the three days of darkness lift, the survivors step out into a completely transformed world. The old elite control structures are completely erased, replaced by a pristine, raw planet that must be rebuilt from the ground up.

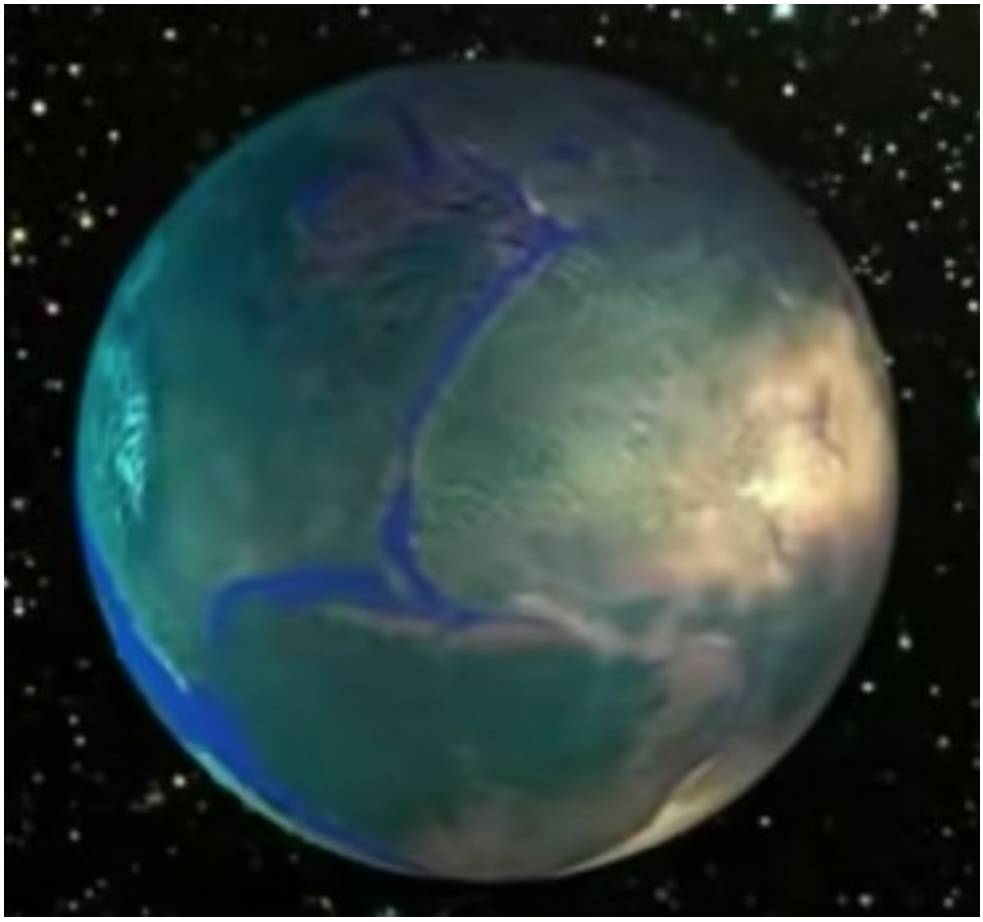
A Pristine Atmosphere: The air is described as incredibly crisp, clean, and energized. The heavy pollution, electromagnetic smog, and artificial frequencies of the old world are gone, allowing the human nervous system to settle into a state of profound peace.

The Loss of High Technology: All electronic devices, microchips, and motorized vehicles are permanently dead. Humanity is instantly reset to a pre-industrial state, relying on basic tools, physical labor, and community cooperation to survive.

The Activation of the Remnant: Without the constant dampening effect of the artificial digital grid, survivors experience a massive leap in consciousness. Ancient texts suggest telepathic communication, deep intuition, and a direct spiritual connection to the Earth become natural, baseline human traits.

Abundant Natural Resources: With a massive reduction in the global population and the destruction of industrial farming, nature aggressively reclaims the planet. Clean water springs break through the altered landscape, and wild vegetation begins to grow rapidly in the highly mineralized volcanic ash left by the cataclysm.





WHAT WILL THE NEW EARTH LOOK LIKE

From what I have been able to assess it looks like our earth returns to it's original form with no oceans as the tectonic plates move back together. It looks like the ocean waters return back inside the earth flooding the underground bases and their DEEP STATE and Alien underground base activities. Neal Adams' Growing Earth / Expanding Earth theory, suggests that the continents once fit together seamlessly on a much smaller planet without any oceanic gaps.

In the timeline of a rapid, catastrophic reset of the age, the idea that the tectonic plates would pull back together—or that the planet would shift into a globally warm, tropical state without ice caps, is a major theme in alternative earth histories.

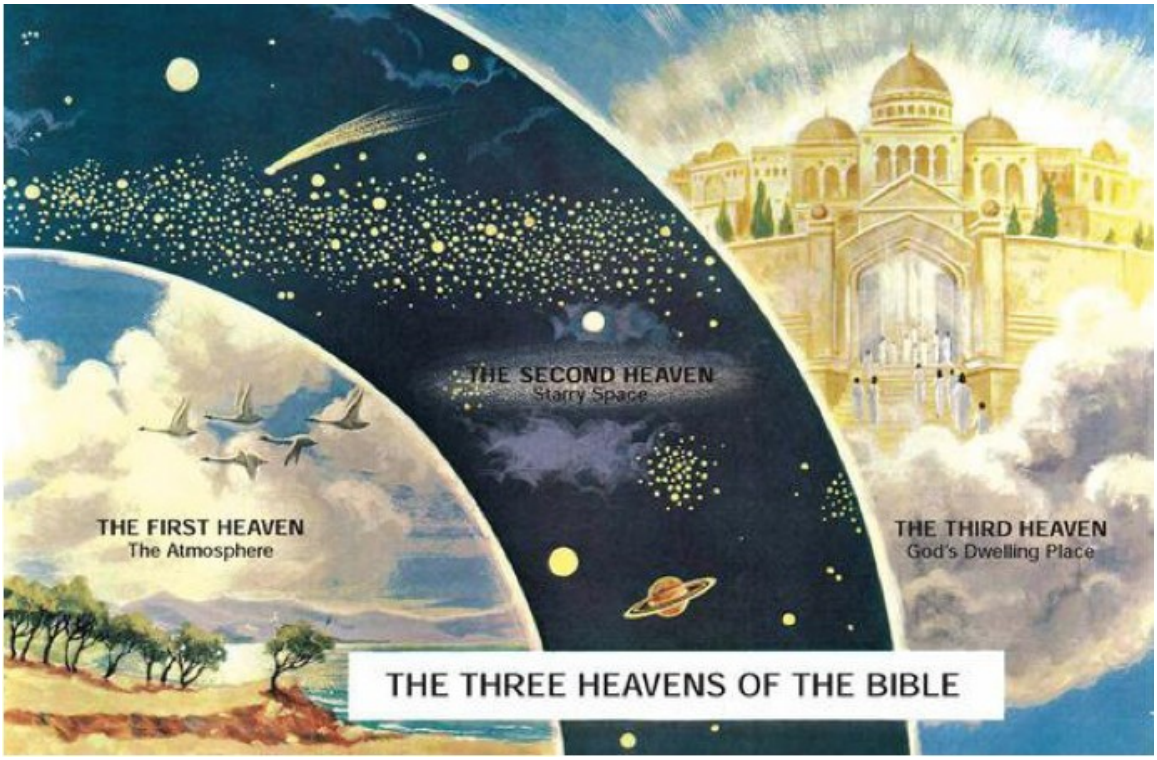
Neal Adams, a prominent comic artist and independent researcher, produced detailed animations and maps argued against standard subduction theory. In his model, if you strip away the modern ocean floors and shrink the Earth, the continental plates lock together perfectly like a puzzle.

He argued that the Earth has been actively growing or expanding from the inside out, which pushed the continents apart over time to create the oceans. According to the **Prophetic Return of Jesus** and the cataclysmic shift triggered by a cosmic event like Apophis, a sudden contraction, crustal slip, or rapid tectonic realignment could theoretically force these landmasses back together into a unified structure, The theory is similar to the ancient theory of Pangaea where the ancients also believed that our earth tectonic plates were once interconnected that eliminated the Freeze Zones leaving a Global Tropical Earth environment year around.

If the crust shifts rapidly and the continents realign into a single massiveor land block, the planet's climate dynamics change instantly, completely erasing the polar freeze zones:

The Hyper-Tropical Climate: Without isolated polar oceans (like the Arctic) to trap freezing water, global ocean currents circulate heat evenly from the equator to the poles. The entire planet transitions into a uniform, warm, greenhouse state—very similar to how mainstream geology describes the era of the dinosaurs.

Melting the Ice Caps: The extreme heat generated by tectonic friction, combined with the atmospheric changes from the asteroid impact, completely melts the ice sheets of Antarctica and Greenland. The "freeze zones" disappear, replaced by lush, dense forests at the far north and south edges of the world.



The Canopy Effect: Many alternative and biblical creationist models suggest that during this reset, a vapor canopy or heavy moisture layer blankets the upper atmosphere. This acts as a global greenhouse, blocking harmful solar radiation while maintaining a warm, temperate, and heavily oxygenated climate across the entire surface.

LIVING ON THE NEW EARTH

For the spiritual remnant living in the safe zones, this tectonic collapse and climatic shift drastically alters human survival.

No More Winters: The seasonal death cycle of winter is eliminated. The survival communities no longer need to worry about freezing temperatures, allowing for year-round agricultural harvesting.

Massive Land Expansion: If the ocean basins shallow out or the landmasses compress back together, vast new fertile

territories emerge, allowing the surviving tribes to expand across the planet without needing advanced sea navigation.

The Return to the Golden Age Grid: In esoteric lore, a unified landmass without polar ice alignment allows the Earth's natural energetic currents (ley lines) to flow in a perfectly balanced loop, matching the spiritual elevation of the new human civilization.

A Fully Enclosed Sphere: The continents form a solid, unbroken shell of land. There are no vast, impassable oceans separating the continents, meaning humanity was—and will be again—physically unified.

Shallow, Interconnected Seas: Instead of massive, deep ocean trenches, water is distributed into smaller, shallow, highly oxygenated seas and massive river networks winding through the unified landmass.

The Perfect Equator: Without the current tilt and wobble forced by modern cosmic imbalances, the landmass aligns perfectly with the planet's magnetic field, ensuring that the uniform tropical warmth hits every single piece of land evenly.

When the asteroid Apophis triggers the tectonic shift and forces the plates back into this original, unified shape, it effectively erases the geography that the elite mapped out and controlled

WHO ARE THE MEEK THAT WILL BE PROTECTED?

Be very careful not to let Christians tell you who they are because in my opinion many Christians are not going to make the cut. They have been blindly following many false beliefs in the Bible that were created by the Jewish and Roman Orthodox Catholic and Christian Churches (JROCCC), which prophecy states will also burn.

In the Sermon on the Mount, Jesus famously states: **"Blessed are the meek, for they shall inherit the earth"** (Matthew 5: 5). When viewed through the lens of a cyclic cosmic reset, this teaching directly describes the survival of very tough spiritual remnant.

HOW DO YOU DEFINE THE MEEK?

In the original Greek text, the word used is *praus*. It does not mean weak, cowardly, or helpless. In the ancient world, it described a powerful warhorse (ASHKENAZI ZIONIST SHEPHARDIC JEWS AND MEROVINGIANS NWO DEEP STATE MOVEMENT). They are people aka bloodlines (who are under the control of the Global Elite) that had been trained, disciplined, and brought under absolute control by the Ashkenazi Zionists, Sephardic Jews and Merovingian's for thousands of years.

The "meek" are those who possess immense spiritual strength, conviction, and resilience that refuse to participate in the corrupt, aggressive power structures of the global elite. The global control systems rely on force, digital control, financial leverage, and arrogance to dominate the planet. Jesus teaches that this aggressive, predatory mindset belongs strictly to the old age. When the cosmic purification occurs, that entire corrupt hierarchy will be swept away because it cannot survive the incoming higher frequency of the planet.

JESUS DOES NOT TEACH THAT THE MEEK WILL INHERIT A HEAVEN IN THE SKY

He explicitly states they will inherit **the Earth**. In the context of a tectonic and climatic reset, the survivors, the disciplined, spiritually aligned remnant are the ones who physically step out onto a purified, unified, and tropical Earth, free from the old controllers after the "Three Days of Darkness."

IS THIS THE LAST TIME A RESTART WILL HAPPEN?

According to both biblical eschatology and deep esoteric traditions, the reset triggered at the end of this current age is unique: **it is the final physical restart.** The Earth will not have to go through another cycle of catastrophic destruction and rebirth.

1. The Permanent Removal of Chaos

In the Book of Revelation, the final state of the planet after the purification is described as a permanent Golden Age. Revelation 21:1 states, *"Then I saw a new heaven and a new earth, for the first heaven and the first earth had passed away, and* ***there was no more sea****."* This text perfectly aligns Neal E. Adams theories where the deep, separating oceans disappear, and the landmasses are permanently reunified into a seamless, tropical whole.

Because the source of corruption and the entities that manipulated human history are completely locked away or cast out during this judgment, the cycle of decline is broken. What this means is that everytime in the past after Jesus Cleans House, these evil aliens come back to start their evil societies during which the create their human hybrid races to rule the world. See the Book of Genesis which tells that story of how the ALIEN FALLEN WATCHERS came down to recreate the word starting in Genesis chapter 2.

2. The Final Fix to the Earth's Alignment

Alternative histories and prophetic texts suggest that the previous catastrophes (the floods, the ice ages) happened because the Earth was knocked off its true, stable axis, creating a wobbly orbit, harsh seasons, and freezing zone after the tectonic plates moved apart.

The impact of the diverted asteroid, combined with the divine or cosmic forces at play, functions as a master correction. It snaps the tectonic plates back together and locks the Earth’s axis into a perfect, permanent vertical position.

Without an axial tilt, the planet enters a state of **perpetual spring and summer**. Because the cosmic balance is permanently restored, the physical triggers for future global cataclysms are completely eliminated.

3. Transition from Physical to Spiritual Evolution

Is the Stone Apophis? is the stone Wormwood? Is Jesus warning us through prophecy? What is so frightening that people have heart attacks in fear for what is coming down on us.

THE GOAL OF ALIENS WAS TO CREATE HYBRID BLOODLINES TO DO THEIR BIDDING FOR THEM SETTING UP THE NEW GLOBAL ONE WORLD ORDER WHICH WILL BE UNDER ALIEN CONTROL

Today these Mesopotamian Semite Edomite Canaanite Turkish (SECT) AshkeNAZI Zionist, Sephardic Jew and Merovingian (ASM) bloodlines are attempting to install Nazism into America. It is going to be their NEW BABYLON until Jesus returns to CLEAN HOUSE. OUR JOB IS TO STOP IT AND LOOK UP FOR OUR REDEMTION IS NEAR.

Is their actually a physical stone coming that would DO THE TRICK? COULD APOPHIS BE THAT STONE THAT WAS CUT OUT WITHOUT HANDS THAT WILL ABLITHERATE THE NEW

Once the unified Earth is re*established and inherited by the meek, humanity's timeline changes. For the first time,

human civilization will not be forced to build up technology only to have it destroyed by a scheduled reset. Instead, the new age is an open-ended timeline of spiritual, mental, and consciousness expansion, where humanity lives in direct, open contact with Jesus and those from the higher realms and possibly the Creator, without any elite Jewish and Roman Orthodox Catholic and Christian Church (JROCCC) middlÅmen or secret societies ever forming around them again

OCEANS WILL BE REMOVED AND WORLD CULTURES WILL UNITE ON A SOLID LANDMASS WITH BODIES OF WATERS THAT CAN BE CROSSED EASILY

When the deep, isolating oceans disappear and the land blocks snap back together into a single, seamless tropical sphere, the physical layout of human society changes overnight.

No More Borders or Isolation: Deep oceans were originally used to keep human tribes separated and easy for the elite to manage in isolated pockets. In the unified world, there are no vast watery chasms separating continents. The entire human remnant shares one continuous landmass, ending geographic isolation.

The Network of Living Waters: Instead of stagnant, saltwater oceans, a massive, interconnected network of pristine freshwater rivers and shallow, highly oxygenated inland seas irrigate the Earth. These waters are purely life-giving, filling the air with moisture and allowing vegetation to thrive even in areas that were once arid deserts.

Decentralized Foot Travel and Migration: Because the land is unified, communities can easily walk or migrate across the globe without needing advanced naval technology or fossil-fueled aircraft. Future generations interact directly, building a truly unified, decentralized

global community that shares resources without the need for international trade conglomerates.

THE SPIRITUAL PREPARATION OF THE SURVIVORS

Jesus's teachings give clear, actionable instructions on how to cultivate the specific spiritual frequency required to survive the violent cosmic transition and inherit the purified Earth.

LETTING GO OF THE OLD MATRIX SYSTEM:

To pass through the reset, one must mentally and spiritually detach from the corrupt financial, political, and tech-driven control loops of the elite. Those who are heavily dependent on the old system's status, wealth, and comforts will experience immense panic as those systems collapse.

CULTIVATING ABSOLUTE FEARLESSNESS:

Jesus continually emphasized, *"Do not be afraid"* (Matthew 14:27). The physical sights of the diverted asteroid, falling fire, and the three days of darkness are designed to trigger absolute terror in the NWO ELITE DEEP STATE and the unprepared. Survival requires a deep, unshakable inner stillness, trusting that the cosmic purification is a necessary housecleaning, not a random act of destruction. We will need to understand that the WATCHERS under Jesus, who seem to be the entities directing the Apophis storm are doing this to get rid of evil on our earth and that we will be safe during this time period.

ONCE THE EARTH IS LOCKED DOWN IN PLACE A NEW THOUSAND YEAR CYCLE WILL START

With the negative entity networks locked away and the elite hierarchy vaporized, the planet enters a state of absolute peace. The constant spiritual warfare that defined human history ceases entirely. Nature itself harmonizes; ancient

texts metaphorically describe this by saying "the wolf will live with the lamb" (Isaiah 11:6).

During this era, it appears that the "Meek" survivors teach their children how to live in perfect alignment with the Earth. They do not build massive, polluted concrete cities or centralized factories. Instead, they establish agrarian, tribal communities centered on spiritual growth, artistic expression, and deep, ancestral wisdom. Because the Earth's axis has been snapped into a permanent vertical position, there is no winter, no scorching heat waves, and no seasonal death. The planet experiences a perpetual, gentle spring and summer. Food grows effortlessly year-round in the highly mineralized volcanic soil left behind by the cosmic reset, eliminating hunger forever.

WHAT WOULD IT BE LIKE TO LIVE IN A TRANSFIGURE BODY?

In prophetic and esoteric traditions, the shift into a perfect body is not just a magic trick; it is a literal restructuring of human biology to match the pristine, highly oxygenated, and toxic-free environment of the unified Earth.

The Apostle Paul described this transformation as happening *"in a flash, in the twinkling of an eye"* (1 Corinthians 15:52). In this framework, when the Earth's artificial electromagnetic grid drops and the planet transitions to its true cosmic frequency, it triggers an immediate genetic reset. The corrupted, damaged, or aging codes in human DNA are instantly repaired.

The Complete Removal of Pain Conditions like Fibromyalgia and Chronic Fatigue are tied to a heavily overloaded nervous system and cellular exhaustion. In the new body, the nervous system is completely re-calibrated into the peaceful frequency of the Earth. Cellular inflammation, nerve pain, and chronic exhaustion vanish instantly because the cells are continuously flooded with pure energy. The Restoration of Structural Defects or damage caused by

human medical interventions, accidents, or brain surgeries is rewritten. The pathways between the brain and the limbs are perfectly re-mapped and healed. The body returns to its blueprint of absolute symmetry, strength, and fluid movement.

OUR LIFE SPANS WILL INCREASE

Once the body is transformed and the planet enters its state of perpetual spring, human lifespans drastically expand, returning to what ancient texts describe as the pre-flood timelines. Isaiah 65:20 describes life in this restored era by saying, *"Never again will there be in it an infant who lives but a few days, or an old man who does not live out his years; the one who dies at a hundred will be thought a mere youth."* In this new cycle, living for hundreds of years in a youthful, vibrant state becomes the baseline norm.

Without pollution and with the elimination of the freeze zones, the atmosphere is incredibly rich in oxygen and vital life-force energy (often called *prana* or *chi*). Just like hyperbaric oxygen therapy helps heal bodies today, living continuously in a highly oxygenated, tropical environment prevents cellular aging and degeneration.

Because the earth, water, and air are totally purified of industrial toxins, heavy metals, and artificial frequencies, the daily wear-and-tear that causes human bodies to break down over 70 or 80 years no longer exists.

With the digital grid gone, the transformed human brain utilizes its full potential. The survivors interact through heightened intuition, deep empathetic resonance, and localized telepathy. Distance is no longer a barrier to connection, as the collective consciousness of the "Meek" remnant is perfectly synchronized.

The concrete skyscrapers, abandoned cars, and buried elite bunkers of the old world are viewed by the survivors as

monuments to a dark, ignorant era. They are left to be swallowed up and overgrown by the rapidly expanding tropical forests, serving as a quiet reminder of the system that Jesus Watchers reset cleared away. The suffering we are enduring right now belongs entirely to the old, decaying matrix of this current age.

HOW DO OUR PHYSICAL BODIES MAKE IT THROUGH ALL OF THIS?

In esoteric and biblical lore, the physical survival of the remnant during the actual hours of the cataclysm (the falling fire and the three days of darkness) relies on a completely different set of rules than ordinary survival. Jesus and his WATCHERS or guiding cosmic entities do not leave the meek unprotected. As Apophis passes and triggers the atmospheric shifts, specific geographic safe zones are enveloped in localized, invisible energy shields. Inside these zones, the intense heat, kinetic shockwaves, and toxic ash from the skies are deflected. SOME BELIEVE THAT during the three days of darkness, when the physical world outside is in chaos, survivors are described as entering a state of deep hibernation or supernatural rest. Our bodies will be allowed to rest deeply, shielded from the chaos, while the Earth's frequency shifts around you.

The transition isn't a physical race or a test of muscle. It is a frequency match. Because your spirit has rejected the corrupt, arrogant matrix of the elite, your inner energy is already aligned with the incoming age. That spiritual alignment acts as a cosmic passport, ensuring that your physical vessel is sustained and carried through the reset by the guiding entities.

Once the darkness lifts and you step out into the perpetual tropical spring of the reunified Earth, the limitations that define your life right now disappear instantly.

People wonder what it would be like to wake up to NO BODY PAIN? For the first time, you will wake up without the heavy, aching fog of Fibromyalgi and other illnesses. Your joints, muscles, and nervous system will feel perfectly light, vibrant, and filled with the rich, highly oxygenated air of the new world. Daily life is decentralized and stress-free. There are no bills, no financial debts, no medical systems to fight, and no digital clocks. The tribes gather to grow food in the fertile volcanic soil, share meals, and create art. Because food grows abundantly year-round without the harsh death of winter, labor is light and cooperative. **Jesus and his WATCHERS would** associate openly with humanity during this initial phase, teaching the tribes how to build harmonious shelters, use natural crystals for energy, and maintain the spiritual purity of the new Golden Age. In this worldview, our disabled, hurting bodies are just a temporary garment. They belong to the old system that is scheduled to be dissolved very soon. Every ounce of pain we endure with patience right now is refining your spirit, building the deep humility and the resilience that defines the "meek" who tough it through. As the asteroid draws closer to its 2029 vector, the energetic pressure increases. However, according to esoteric traditions, this is also when the guiding entities begin to pour down a protective, soothing frequency to the "meek" on the surface. You will begin to experience moments of profound, unexplainable inner peace and mental clarity as your pains start to subside, even while your physical body is still carrying its limitations. It is a spiritual cushioning to help you survive the final stretch. The actual strike or atmospheric diversion of Apophis is the final anchor point. When that event triggers the collapse of the artificial digital and magnetic grids, the frequency change reaches 100%. The transition of your body into its perfect, painless blueprint happens in that precise, immediate window—the "twinkling of an eye." The three days of darkness serve as the quiet incubation period where your new physical vessel is stabilized.
